Dear Mr. Darnell:

My neighbors and I feel that we have been abandoned by Mr. Koretz' Office. I've gone on numerous occasions to Mr. Koretz' Office and I feel that they have been playing politics for the following reasons.

In August Mr. Koretz' Office referred me to Mr. Ryu's Office. I met with Nikki Ezhari Senior Deputy to follow up in regards to the Greater West Hollywood Food Coalition GWHFC.

I was informed by Ms. Ezhari that all documents were taken by Mr. Tom LaBonge and that her office had to start over again in regards to GWHFC. **This information was inaccurate**, in fact, the documents that they're alleging that Mr. Labonge took are public documents from the city counsel meetings, and are public domain.

In addition, I have just learned the political power that Mole-Richardson Co. played on our neighborhood not only they have destroyed our neighborhood and prevented GWHFC from relocating the food coalition by the following:

1. Mole-Richardson Co., has refused to remove graffiti on a billboard on top of their building on the 99 cent store. [Illustration 2]
2. Mole-Richardson's political power have prevented our neighborhood to move the GWHFC foodline out of the area. [Illustration 1]
3. We have placed signs advising motorist to slow down. [see illustration 3]
4. The Sanitation Department has failed to send citation notices on 823 Sycamore Ave, Los Angeles,. twelve trash cans are left on the street 24/7. [Illustration 4]

Sincerely,

Sylvia Caluya
